

A View Towards Excellence

New Flush Handle

VISTA VIEW HORIZON

VistaView Horizon sets the gold standard in retractable screens for large openings. A single housing can span a 20' opening while double units can screen areas 40' wide! This is the next innovation in screen technology.

VISTA VIEW HORIZON

Key Features

Auto-Stop

Homeowners gain full control with the convenience of unlimited stopping points. Automatically stops when the handle is released.

Low Profile Track

At only 1/2" tall, the lower track blends seamlessly into every application, it's designed for simple installation, creating a smooth transition.

Floating Track

Our unique floating upper track is concealed by an integrated fascia, has no visible fasteners and provides automatic compensation across the entire opening.

Flush Handle

A patented Flush Handle design reduces the space required for handle clearance, providing an aesthetically pleasing look.

Additional Features

- ★ 40' Wide with a Double Span
